Forbidden Knowledge:

A Lovecraftian quiz RPG

Forbidden Knowledge

Is a web and mobile based app, that will allow users
To be part of an immersive horror RPG combined with the Element of quiz. Players will have to answer questions and fight eldritch monsters, alone or as part of a team. Unlock power-ups, stat-boosts and other cool stuff by answering questions correctly, or face injury and death by answering incorrectly.

The Concept

Forbidden Knowledge blends:

RPG combat, Trivia challenges and Lovecraftian horror

Players form a party of investigators exploring forbidden knowledge.

Every correct answer damages the monster.

Every mistake brings the party closer to madness.

Play solo or with friends to survive cosmic horrors.

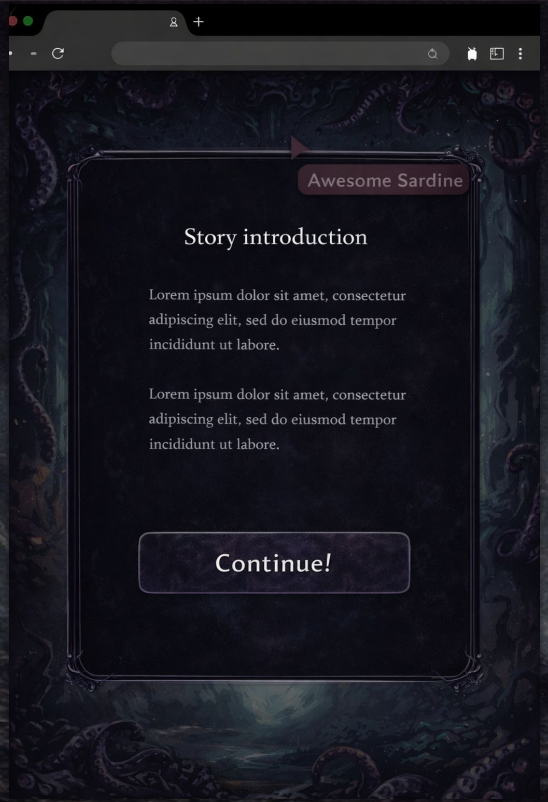
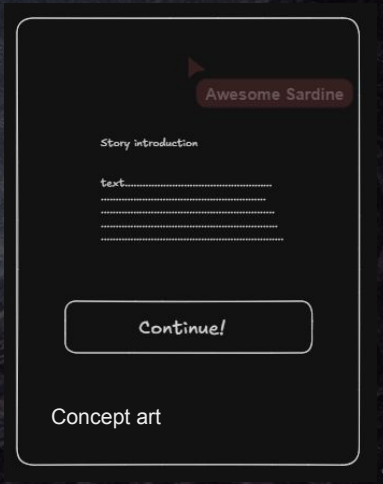
- Special items

Your investigator grows stronger as you face increasingly terrifying enemies.

An Engaging Lovecraft style horror. That will test your wits and your sanity.

Play with friends or solo!





The Core Gameplay Loop

The Encounter System

During encounters players answer quiz questions.

Combat works like this:

If all players answer correctly

- Monster takes **100% damage**
- Party takes **no damage**

If players answer incorrectly

- Damage to monster is reduced by **25% per wrong answer**
- The monster attacks the party

Knowledge becomes your **attack power** .

The Encounter Page

WHEN all players get thee question correct
Then 100% damage is done to monster, party receives no damage

WHEN 1 or more player gets the question wrong
THEN the party reduces by 25% for each incorrect answer
AND party receives x% of monsters damage

WHEN a normal monster is defeated
THEN party gets xp

WHEN boss monster is defeated
THEN players get xp and choice of a loot box

WHEN the user(s) complete a quiz
THEN monsters get a health boost

WHEN the user(s) fail a quiz
THEN the monsters get a health malus
